What's the cost of freedom – of catching dreams on the back of a horse?

Our annual budget is \$500,000. Only 23% of the **actual cost** of each lesson is covered by the fees charged.

We depend on you to raise the additional **77%** of the money necessary to offer **therapeutic riding to people with special needs.**

Each lesson actually costs \$220 - we charge \$50; for 85 students weekly.

Each horse costs \$7,000 per year for their feed, bedding, medical care, daily care, and horseshoes!

*"Riders at Dream Catchers learn what they can do....Not what they can't.
Everyday, Every Lesson, Every Rider."*

Thank you for your continued support of our program.
